December 8, 2022

To: Flathead Special Education Cooperative Board

I am making a formal request to the Flathead Special Education Cooperative Board, to return to my original three-day work week contract, .6, at my originally assigned schools on or about January 20, 2023. I am currently on a four-day work week contract, .8, during my colleague's absence.

I am willing to finish out the obligation I made to the Flathead Special Education Cooperative to assist schools in my colleague's absence due to medical leave. Upon her return and finishing up the current cases I am working on at those schools, I am requesting to return to my three day-work week contract, .6, and original schools that I was assigned to for 2022-2023 school year.

Sincerely,

Karen Nesbitt
